hanumantehimanshu@gmail.com
Nagpur, Maharashtra 440034

SKILLS

Python Programming
Deep learning
Data Analytics
Machine Learning
Natural Language Processing
(NLP)

EDUCATION

G.H. Raisoni College of Engg.,
Nagpur
2023 - 2026
B.Tech in Artificial Intelligence

G.H. Raisoni Institute of
Engineering & Technology,
Nagpur
2020 - 2023
Diploma in Engg. - CS

PROFILE

Innovative Artificial Intelligence Intern with significant exposure to machine learning, data mining, and algorithm development. Strong problem-solving skills complement hands-on experience in AI technologies and programming languages such as Python . Previous intern roles resulted in enhanced system performance through innovative AI strategies and solutions.

EXPERIENCE

Intern (python) , APS Microtech Ltd. , Nagpur
June 2023 – Sep 2023

- Collaborated with other developers to design solutions for complex problems encountered during development process.
- Integrated third-party libraries into existing software systems as needed by the project scope.
- Generated reports using Matplotlib library for visualizing data collected from various sources.
- Shadowed team engineers to learn new skills.

ACADEMIC / PERSONAL PROJECT

- Sales Prediction Management System, (sep 2024 - Sep 2024)
- Language Translator Using Google Language API, (Apr 2024 - Apr 2024)
- Fake News Detection Using R, (Dec 2023 - Dec 2023)
- SpaceX.com, (Apr 2023 - Apr 2023)
